CERTIFICATE

This is a certify that Mr. Ayush ranjan Patnaik, Mr. Ajay Bhoir, Mr. Debanta Kumar Maharana, Mr. Kishan Kihora, Mr. Sujit Biswas the student of the Mechanical Engineering Dept. (2020-2022) of Samanta Chandra Sekhar Institute Of Tech. & Management successfully completed the project on "A CENTRIFUGAL PUMP".

They have shown keep interest and sincere approach to design development & implementation of "A CENTRIFUGAL PUMP" and executed with appreciable teamwork among the team members. During the period of project execution, I personally found them sincere, efficient & hardworking with good moral character. I wish them all the best their future endeavours.

ACKNOWLEDGEMENT

Here, we are glad to express our great appreciation and thank to our institute Samanta Chandra Sekhar Institute Of Tech. & our Management branch of Mechanical Dept. who gave us the opportunity to expand our intellectual horizons.

We are very grateful to our ma'am Smt. Fr. Usha Kiran(HOD), who accomplish the project for precious guidance. We are sincerely thanked to them who give us help, simulating suggestion and encouragement in helping us during all the time conducting this project.

We are glad to thank to them for all the knowledge either in theory part or drawings practically. Besides, we also thank to all members of our team who are helping us during conducting this report from the beginning until the end. Your contributions always appreciated by us. Thank you.
